CAROLINA CAMPUS LOOKING EAST

≡ *through* ≡ FALL... ≡

Leafless trees of fall silhouetted against cool grey skies provide a background for education.

Anti-freeze in rear pocket is for taking the nip out of the fall air.

The long lines for registration in Woollen are annoying but necessary.

Finding the paths to classes is a constant puzzle to all new students.

Campus transportation is stalled during an unusually heavy winter snowfall.

# WINTER

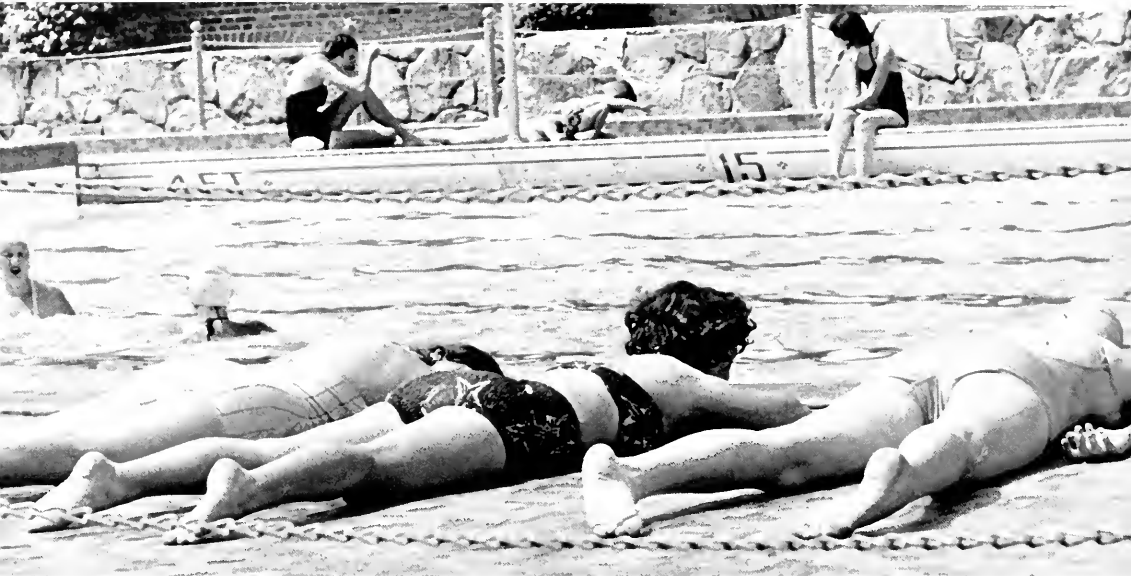

A familiar landmark of CAROLINA known to all as "Silent Sam."

The cold hand of winter decks everything with a thick frosting of snow.

# and SPRING

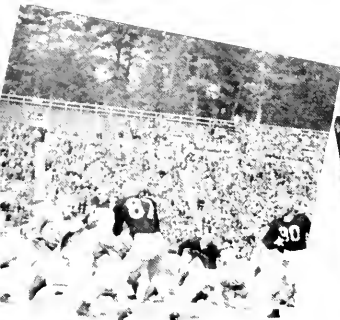

Lovely coeds line the pool seeking a healthy sunton????

A major outdoor activity of spring is the laughter provoking Sigma Chi Derby.

Warm weather finds friends together at the popular South Building steps.

"The village all declared how much he  
knew:

'Twas certain he could write, and  
cipher too;

Lands he could measure, terms and  
tides presage,

and ev'n the story ran that he could  
gauge.

While words of learned length and  
thund'ring sound

Amaz'd the gazing rustics rang'd  
around,

and still they gaz'd, and still the  
wonder grew

That one small head could carry all  
he knew!

"We are the hollow men  
We are the stuffed men  
Leaning together  
Headpiece filled with straw. Alas!  
Our dried voices, when  
We whisper together  
Are quiet and meaningless.

"No! I am not Prince Hamlet, nor was meant to be;  
Am an attendant lord, one that will do  
To swell a progress, start a scene or two,  
Advise the prince; no doubt, an easy tool,  
Deferential, glad to be of use,  
Politic, cautious, and meticulous;  
Full of high sentence, but a bit obtuse;  
At times, indeed, almost ridiculous —  
I should have been a pair of ragged claws  
Scuttling across the floors of silent seas.

**JAMES A. LEGGETTE**  
President of the Spurgeon  
Dental Society

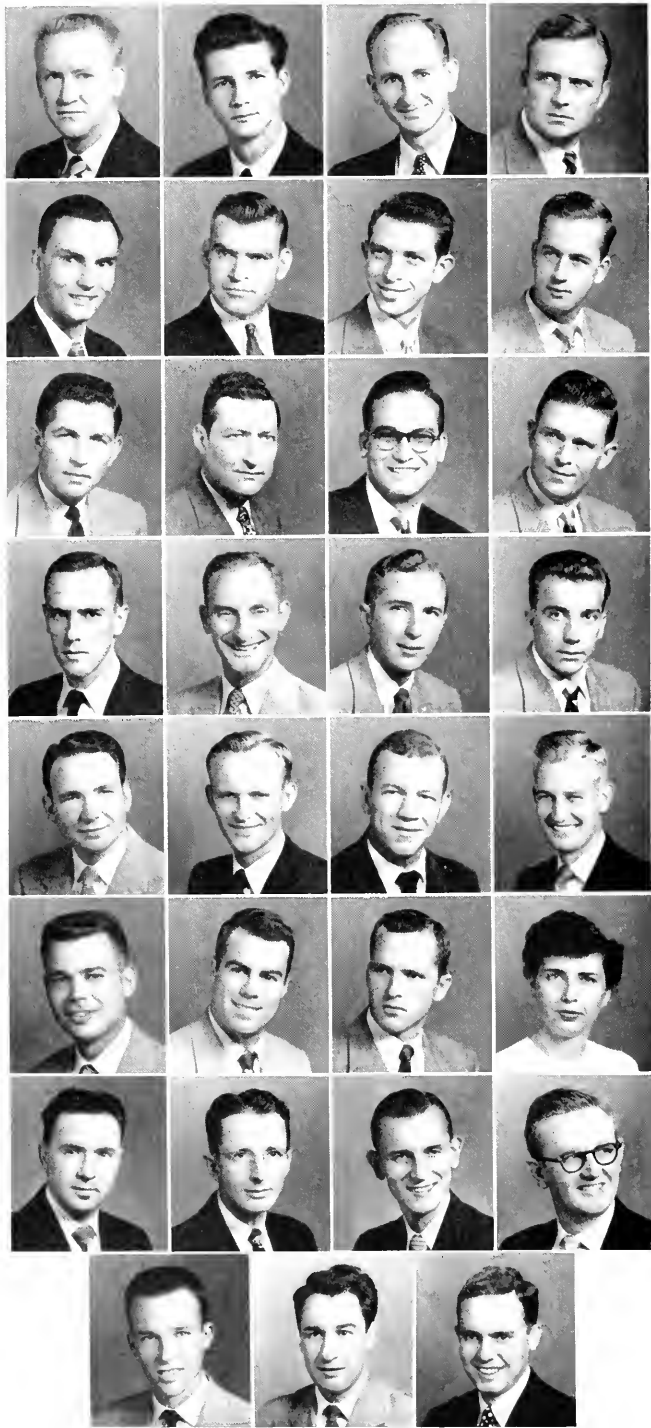

The School of Dentistry is the newest of the professional schools at the University, the first class being admitted in 1950. Since then three classes have been admitted. The new building for the School of Dentistry was activated September 23, and the first patient was admitted to the clinics on September 29, 1952. The juniors are working with patients in the several clinics in the new building. These juniors will be the first class to graduate from the School of Dentistry in 1954.

One of the highlights of the year was the one day attendance at the annual meeting of the North Carolina Dental Society at Pinehurst. A number of students gave clinics before the practicing dentists of the state. In addition to the regular meetings of the Spurgeon Dental Society, an all school picnic was held and other social functions were enjoyed.

Three chapters of nationally recognized dental fraternities were organized, these being, Delta Sigma Delta, Psi Omega, and Xi Psi Phi.

Dentistry students studying for the time when they will be looking into peoples faces as a profession.

# GRADUATE SCHOOL

The Graduate School offers opportunity for further and advanced study by those who have completed a college course in the fostering of research, in the training of students to become investigators and teachers in special fields of learning, and in the application of research methods to the problems of society, government, and industry.

Instruction leading to a master's degree was offered at this institution previous to the Civil War, and such higher degrees were granted in course. The first doctor's degree was awarded in 1833. A Graduate Bulletin,

issued in 1885, showed that nearly all departments offered advanced courses. The number of students during those years was small, but the work accomplished in both the humanities and the sciences was of distinguished quality. Since 1920 the Graduate has experienced rapid growth.

Work for advanced degrees is under the supervision of the graduate faculty. Under authority delegated by the graduate faculty, the immediate direction of the school is in charge of an administrative board of which the Dean is chairman.

# SCHOOL OF LAW

DEAN HENRY P. BRANDIS, JR.

The Law School in September opened its one hundred and fifty-eighth session. Manning Hall, the present home of the School of Law, was erected in 1923. This year was dedicated a new addition which has approximately doubled the size of the building. The new section includes a library, classroom, student work room, and office facilities. The courtroom included in the new addition should solve a long standing problem by enabling the Law School to integrate more satisfactorily both its academic and extracurricular programs.

The Law School Association, an organization consisting of all law students, performs through its officers and class representatives a vital function

in the work of the Law School, emphasizing the development of an extracurricular program of legal education closely integrated with the academic program of the school. This year the Law School Association also conducted orientation for all new law students, law club arguments were sponsored, and sponsored programs by outstanding members of the Law profession.

Another outstanding activity is the publication under the direct supervision of the students, and with faculty guidance of the North Carolina Law Review. Editors and members of the staff are chosen from the upper classes on the basis of scholastic attainment.

# THE SCHOOL OF LIBRARY SCIENCE

The School of Library Science opened in September 1931, as a unit of the University of North Carolina. Made possible by a grant from the Carnegie Corporation, it is the culmination of a series of library science courses offered in the summer and regular terms since 1904.

Quarters for the school, comprising rooms for laboratory work, lectures, and seminars, a stack area for the School's library, and offices for the teaching and administrative staff cover the entire top floor of the recently completed west wing of the library.

The School offers four programs: a twenty-eight quarter hour undergraduate program for students interested in preparing for positions as teachers and librarians in the smaller public schools; a basic one year program for college graduates preparing for beginning positions; and two masters' programs, one for public school librarians and one for work in any type of library.

## SCHOOL OF LIBRARY SCIENCE

The new addition to the library offers adequate facilities to students who desire to study in informal gatherings.

# THE SCHOOL OF MEDICINE

The School of Medicine was established in 1879 under the direction of Dr. Thomas H. Harris. Until 1896 the course covered only one year, however, in that year it was extended to two years. In 1900 the School of Medicine was incorporated as an integral part of the University and was reorganized to meet the requirements of the first two years of the full four-year course leading to the degree of Doctor of Medicine. This year for the first time the last two years were added. The new hospital will be of great value to the school as a whole. Many outstanding new faculty members have been added to the staff and an expanded program is under way that will be of great benefit to the state as a whole.

After having orientated the freshmen the upper classmen settled down to a year of labs and classes. All was not work though. The fall quarter was filled to the brim with fraternity rushing, a picnic for the freshmen, and the Pharmacy Girls' Christmas Party. After Christmas the Juniors and Seniors went on a most interesting trip to see the Lilly and Abbott laboratories. Pharmacy week-end was the big event of the spring as usual. The festivities were many, ending with the big dance Saturday night. After all the partying was over it was time to think of exams and for some lucky people, graduation. They had taken their last quiz at UNC but there were still those state boards to face. It was goodbye to Howell Hall and all their friends, but with them go many wonderful memories of the past four years.

A student may enter the NROTC program under either of two plans, Regular or Contract. As a Regular he is appointed a Midshipman upon enrolling in the program, and receives tuition, books, uniforms, and six hundred dollars per year throughout his four years of college. To successfully complete this program he is required to take four hours of Naval Science courses per quarter. Otherwise, he majors in the academic field of his choice. During the four-year period the regular student is required to take three summer training cruises. Upon graduation, he is commissioned as an Ensign in the Navy or a Second Lieutenant in the Marine Corps, and is required to serve three years on active duty. At the end of this period, he may choose the Navy as a career or be released to inactive duty with a reserve commission.

The Contract Program differs from the Regular in that the Contract student is furnished only with uniforms and is paid thirty dollars per month during the last two years of the program. He is required to take only one summer cruise and upon graduation he receives a reserve commission.

and develop the essential qualities of good and efficient officers; to prepare ourselves as educated men to take a more active part and to have a greater influence in the military affairs of the communities in which we may reside and above all to spread intelligent information concerning the military requirements of our country." # A F R O T C

In these uneasy times of peace the never ceasing threat of war is all about us; on land, on the sea, and in the air. It is noteworthy that our Air Force stands as a mighty vanguard of the peace and freedom we cherish so much. It is also worth noting that an increasingly greater part of this Air Force is made up of Air Reserve Officers Training Corps graduates. This university is one of 187 carefully selected colleges and universities which offer courses of four years duration leading to a commission as a Lieutenant in the United States Air Force (U.S.A.F.) Reserve. It is the purpose of the Air Force Reserve Officers Training Corps to select and train students who possess the character, intelligence, desire, and sense of duty to become Air Force Officers and responsible citizens. The objectives of this phase of student training are to attract the highest type of personnel into the Air Force and its civilian components, to develop in all students an understanding of modern warfare and the place and function of air power in the defense of the United States, and to qualify students to perform duties normally expected of a junior Air Force Officer.

The University of North Carolina Monogram Club was formed many years ago with the promotion of friendship among monogram winners its initial purpose. Since its origination the group has grown and extended its activities in many fields. It has inaugurated what we now know as an annual affair, the spring Blue-White inter-squod football game. It has had as its guests at several home football games orphans from throughout the state. The club has contributed to the annual fund raising campaigns to aid in the cure of polio. In short, it has performed many worthwhile services to the University and the Community.

Composed of a representative from each dormitory, fraternity, sorority, band, cardboard, cheerleaders, and the Monogram Club, it has direct contact with almost every student on the campus.

The functions of the club are many and varied. Through its cooperation with the Athletic Association, the Club seeks to promote and maintain enthusiasm and good sportsmanship in all University events by sponsoring pep rallies, entertaining visiting teams, and fulfilling various other functions.

# UNC BAND

Under the direction of Earl Slocum, who celebrated his 25th anniversary at UNC this year, the 75-piece Carolina marching band entertained thousands of football spectators with their original formations and moving marches. With Ed Stevens as drum major, the band reached its pinnacle of performance on Homecoming Day, when it combined with 25 high school bands throughout North Carolina to produce a colorful musical extravaganza.

In addition to playing at the Tar Heels four home

games, the band provided the music at several Friday night pep rallies. High-stepping majorettes "Tish" Coley and Wanda Philpott lent a touch of femininity to the practically all-male group, whose favorite selections were the Victorian March, Stars and Stripes Forever, Tar Heels on Hand, and Hark the Sound.

The marching band was modified to form a 55-piece concert band during the winter and spring quarters, when several concerts were presented.

This organization's only social function is the annual banquet during the winter quarter which was held in conjunction with the football team and the cheerleaders squad this year.

Henning, alternate first baseman and a timely hitter, reaches for a line drive.

A fast start with a flying finish, but a hitless mid-season tells the story of the 1952 baseball squad. Although able to take only third place in Big Four play, Coaches Bunn Hearn's and Walter Rabb's team turned in a commendable 19-10 season record.

The bat-crackers averaged six hits per game as they took a round robin tournament from Alabama and Rollins and rolled over Virginia and the Citadel. Big Four teams proved to be Carolina's mid-season downfall as they took seven of the ten UNC losses. The sun again shone upon our team, however, and they took six of the last seven games which included two wins from Wake Forest and one from Duke.

Chal Port, Southern Conference All-Star last year, was the only player to make this season's All-Star team. Other standouts included Mark Herring, again the leader in the hitting department with a .253 average, co-captains Wiess and Smith along with Dale and Gravitte, who turned in some timely hits, and Joe Pazdan, a dependable twirler with a 5-1 season record.

Carolina really achieved its winning form with basketball season. Making a fast start the Blue and White entered the Dixie Classic with a 4-0 record. Although the team only won one out of three games in the tournament, they made fine showings despite their lack of reserves.

Continuing on their winning way, the Tar Heels compiled a 9-0 Southern Conference record before Maryland handed them their first Southern Conference defeat (68-66). Momentarily the SC lead was lost, but two games later the Tar Heels had defeated their two biggest contenders—Wake Forest and State—and were again back on top of the league. The win over State was the first Tar Heel victory in the last sixteen games with the Wolfpack.

As the Tar Heels were starting into the home stretch, they were leading the league with a 13-1 record. Al-

though Carolina still had two games with Duke, one with State, and one with Wake Forest to be played, the Tar Heels have an excellent chance of winning the Southern Conference title.

Some of the newly gained success must be attributed to new head Coach Frank Maguire, who has taken part of previous years' material and combined it with some new material to pull out a winning combination. The team spirit and teamwork have also been of great importance during the season and have contributed to the winning ways.

Co-captain Grimaldi and freshman Vayda have alternately been leading the team in points scored. Lifson, who was unable to join the team till winter quarter, and Moddie, a return from year before last, have been displaying some excellent floor work as well as greatly increasing the total number of points scored. Despite the fine showings of the above boys the most improved player on the squad is Likins. The six foot eight inch center has, not only been controlling most of the backboards, but also has been a constant scoring threat. Co-captain Wallace also displayed some fine play before Christmas, but a case of appendicitis caused him to be sidelined for several weeks.

Carolina's success this season has not been because of any individual star, however. Every game has been won with teamwork and although one member of the team may stand out in one game, the next game will find the spotlight on someone else. Also it is not only five boys who have made the 1952-53 team, but they have been backed up with good reserves who are prepared to take over any position on the court and play good ball.

# CROSS COUNTRY

Front Row, left to right: Vogel, Wright, Marx, Co-captains Webb and Osborne, Newnam, C. W. Higgins, Barden • Back Row: Owen, Lotquist, Lockwood, Lloyd Bostain, Sonders, Warren, Houghton, Young, Tickle, Manager Blanton, Coach Ranson.

"The team did as well as anyone could expect under the circumstances"—this was Coach Dale Ranson's description of the 1952 cross-country squad. "Circumstances" were an outbreak of polio which forced cancellation of dual meets with Richmond, N. C. State, Davidson, and Duke and sidelined two key runners—Bob Barden, runner-up in last year's Southern Conference outdoor two-mile run, and Lee Bostain.

When the team did begin its season in late October, the course was a rocky one. The first time two dual meets found the Tar Heels suffering decisive losses to Conference runner-up Maryland (15-55) and perennially powerful Tennessee (15-42). With co-captains Webb and Osborne leading the way, the team scored its only win of the season against Virginia (28-29).

Although the harriers placed sixth in the Conference meet behind State, Maryland, West Virginia, VMI, and Duke, they surged ahead in the Big Five Meet to take second place and to turn in their best performance of the season.

## TEXAS 28 UNC 7

The 1952 football season opened with the Texas Longhorns invading Chapel Hill and treating the Tar Heels to a first class T party. Led by "T" Jones, the Texans managed to cross the Carolina goal four times and once smother the Tar Heels behind their own goal line to mark up 28 points against Carolina's 7.

The leaves appeared to read against Carolina from the beginning—the team was beginning a new type of offense, the first string quarterback was injured, and the Tar Heels were playing one of the nation's powerhouses which already had one game behind them.

Despite the gloom bright spots appeared as Bud Wallace managed a remarkable 43.8 punting average and a freshman, Marshall Newman, came in to pass the Carolina team to its only score.

## POLIO FORCES CANCELLATION OF TWO GAMES, ONE GRID PLAYER, THREE OTHERS STRICKEN . . . FIFTH ATHLETE STRICKEN BY POLIO.

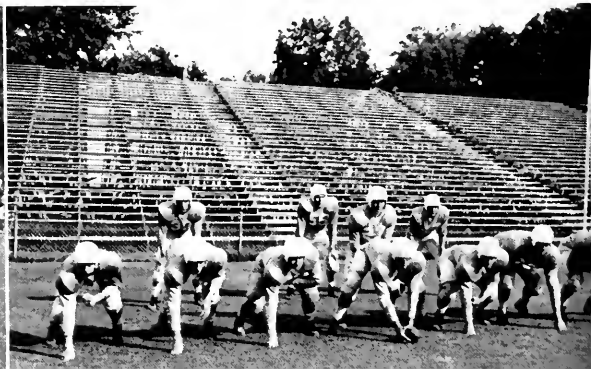

These were the headlines that hit the UNC campus by storm on October 3 and 4, 1952, and which created a wave of both shock and disappointment. Football, soccer, cross country, and intramural games were cancelled for a two week period.

Bob Barden, last year's winner of the Southern Conference two mile and one of the most promising runners to hit Carolina lately; Lee Bostian, another young runner that had been doing very well in the cross country; Pete Higgins, a letterman during his freshman year on the swimming team; "Bull" Davidson, a junior who was supposed to play considerable football this season; and Sam Sanders, a jayvee footballer, were the boys stricken by the dread disease.

Stolhonske lugs the ball for a long gain against Carolino.

Cooke is taken down after a five yard gain against Wake Forest.

Not only was this a bad break for the boys but also for the sports teams and their seasons. The football team had showed good spirit in their first showing against Texas. It seemed that their hard work, combined with some game experience, would put Carolina back into the win column. Now, the team found themselves minus a back, working out in light equipment for a week, and minus two scheduled games that they had desperately needed to get the new T oiled up and functioning with regularity.

The cross country team was also hit hard by the disease. Their two fastest runners were in the hospital with polio, and the rest of the team had to cut work outs because of polio restrictions.

Carolina was deeply grateful, however, that four out of the five athletes that suffered with the disease were able to return to school for the winter quarter.

### WAKE FOREST 9 UNC 7

After a forced two weeks lay off, the Tar Heels came roaring back to what almost turned out to be the first victory under the split T for Carolina. However, Deacon Sonny George shattered Tar Heel dreams in the last two minutes of play by kicking a field goal from 22 yards out to lead his team to a 9-7 victory.

Carolina's best offense was a good defense. The Tar Heel line held for four downs inside its own five yard line twice, and threw Wake Forest passers for long losses regularly.

The offense had several bright spots; however, the main trouble was that no one could hold the ball. Fumbles cost the Tar Heels many yards as well as setting up the Deacons' only score.

Brushing up on blocking assignments.

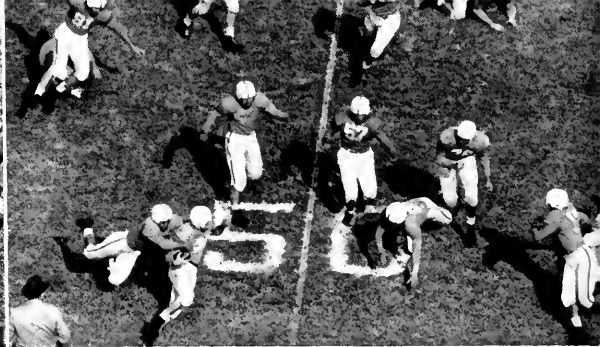

Lackey and a host of other Carolino tacklers smother o Deacon.

Carolina makes a goal line stand to stop Notre Dame during third quarter play.

Parker gets hemmed in here in this first quarter play as he makes a short gain.

### NOTRE DAME 34 UNC 14

In a game of many passes, punts, and penalties, Carolina again found itself on the short end of a 34-14 score. Despite the foreign territory and the lack of fans, the Tar Heels managed to hold their own until two minutes before the first half when Notre Dame pushed one over to take a 14-7 lead.

The second half proved to be a different story, however, as the previously strong Carolina defense was pushed over the field and scored on twice in the third period and once in the fourth.

The Tar Heel offense did put on its best effort to date. Each game finds the offense working out many of its new system kinks and providing the valuable experience that has been sorely missed.

### TENNESSEE 41 UNC 14

Rumors were not the only things flying around on the Saturday before elections, as Shires and Wade passed the Tennessee Volunteers to a 41-14 victory over the Tar Heels. It was simply a case of Carolina making too many mistakes—four too many, to be exact—and the Volunteers lived up to their reputation of capitalizing on others' errors by converting them into touchdowns.

The first half followed the same pattern as the Notre Dame game with the Tar Heels staying close on the heels of the Volunteers till the half way mark.

Marshall Newman was again the boy who sparked the Tar Heel scores as he twice pitched over Volunteer heads for Carolina scores.

Walser stops both interference and ball carrier in line action.

Parker and Yarborough lead Wallace after a kickoff.

Grovitt takes a pass to pick up several yards against South Carolina.

### SOUTH CAROLINA 19 UNC 27

'Mid fumbles and intercepted passes Carolina finally managed to bring home the bacon with a 27-19 victory over the South Carolina Gamecocks. For the Tar Heels it marked the ending of a twelve game losing streak and the beginning of a rolling offense.

Led by freshman "Dyna-flow" Worrell and Marshall Newman and sophomores Charlie Motta and Lorry Parker, the Carolina offense mounted up 263 yards rushing. They proved to the fans that the split T can work for Carolina.

This was the first game of the season that the Tar Heels played good ball the second half as well as the first half. Even the shoky air defense managed to stop the barrage of passes hurled at it by the Gamecocks in the latter part of the game.

### VIRGINIA 34 UNC 7

Homecoming displays, wide awake alumni, and spirited fans did not help the Tar Heels to change their old story; the Cavaliers came into town, touched the Tar Heels for 34 points, and quickly left the Carolinians to ogain rub their wounds of defeat.

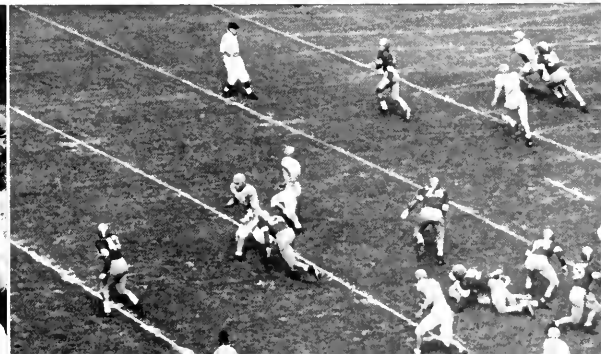

The Virginians, similar to Notre Dame and Tennessee, waited till second half to pour on the fuel; but by the end of the game, they had ground out 400 yards of offense—254 on land and 146 over the air waves.

The Tar Heel offense showed improvement and the long lost running game seemed to be coming out from under cover. However, Carolina's air arm, heretofore their main threat and means of scoring five of six previous touchdowns, was completely smothered by Cavalier chargers.

Walser, Foti, Kirkman, and Yarborough go after a Cavalier.

Lackey breaks up one of Miami's passes.

### DUKE 34 UNC 0

A humiliating 34-0 defeat, the worst defeat in the 64-year-old rivalry, and the loss of the victory bell for another year—these were the consequences of this year's Duke victory over Carolina.

The Duke team ripped open the Carolina defense at will and stopped the Tar Heel offense before it could even get to Duke territory.

The Tar Heel offense showed spark at times, but since it seldom had the ball only 165 yards were gained. Even in the latter part of the game the offense could not keep the ball long enough to push across pay dirt.

Bud Wallace continued his fine punting with a 38.9 average, but for the first time this season the opponents topped him with a punting average of 44.

### MIAMI 7 UNC 34

While the students took a rest for Thanksgiving, the football team traveled to Miami and accomplished their best effort of the season. The Tar Heels had the upper hand during the whole game, especially in the second quarter when they scored four of their five touchdowns. Walser began the scoring by hauling in a pass from Newman for a 52-yard score. Walser scored again in the same quarter, as did George Wallin and George Norris. Norris added the final marker in the third period after blocking a punt. The win gave Carolina a season record of two wins and six defeats. This record would probably have been much better if the Tar Heels had not been forced into a two week mid-season layoff. The T was a new system for Carolina and only toward the latter part of the season could they get it to function properly. Also the defense, which was strong at first, had a mid-season slump, but was looking better before the finale.

Wallin is smothered behind the line by a host of Blue Devils.

Walser breaks away for the first touchdown jaunt.

# FENCING CLUB

The Fencing Club was organized several years ago to provide some fun and entertainment for those who wished to learn of practice the old nobleman's art. The uniforms are issued by the school, but the boys make their own schedule for matches against other teams and provide their own transportation. The club is gradually growing and has hopes of scheduling and winning more matches this year than previously.

# WRESTLING

Jerkdown, crawfish escape, flying shotput, and cross-body pickup may be meaningless terms to you, but to 12 varsity wrestlers, they are the "tricks of the trade" which mean victory.

Led by Pawlik, Haines, Strokes, and Bradshaw, the Tar Heel grapplers faced a rugged 10-meet schedule and entered the Southern Conference tournament at College Park, Md.

Coach Sam Barnes singled out Virginia, West Virginia, Duke, and Maryland as the team's most powerful foes. Carolina got its most decisive win over Davidson, 17-11. Pawlik outshone his teammates in this meet, pinning his opponent in the first round.

Coach Chuck Erickson's 1952 golf team proved to be one of the highlights in the 1952 sport's picture. Playing top flight golf consistently, the team walked off with the Southern Conference Championship title and an amazing 14-1 record.

Driving their way through a rugged schedule composed of both conference and nonconference teams, Carolina allowed only a previously beaten Wake Forest team to subdue them. Even Duke's twelve year home winning streak over the Tar Heels was smashed as Jim Ferree sank a final three foot putt to give Carolina a 14½-12½ win.

Although Tommy Langley won the Southern Conference Individual Golf Championship, the boys—Bob Black, Bill Williamson, Tommy Langley, Jim Ferree, Lew Brown, and Bill Thornton—each took turns to lead their teammates in subpar golf.

# GYMNASTICS

With several of the lettermen back from last year, the gym team had high promise of continuing their upward climb. Navy, one of the nation's best teams, easily took the Blue and White in its initial showing, but Carolina came back the following week to soundly trounce Duke. Led by Co-captains Chuck Goodin and Andy Bell and teammate Gordon Hudson, the team had an excellent chance to finish the season with a 4-2 record and to make good showings in both the Southern Intercollegiate and NCAA tournaments.

Although injuries broke the Tar Heels' chances of an even split for the 1952 season, the young stickmen still compiled their best record—five wins, six losses, and one tie.

Dickie Harrell, a scrappy freshman competitor from "lacrosse country," led the team in scoring as he set a school record for season scoring. Another bright spot on the team was goalie Lew Floyd who set a N.C.A.A. record for saves by stopping 218 enemy thrusts.

Coach Alan Moore has high hopes of next year's team continuing its upward grind as only three boys will be lost from the 1952 squad.

# SOCCER

Led by Co-captain Ben Tison and Barry Kalb, the 1952 soccer team compiled a 5-6 season record. The Blue and White made a fast season start, but began to slide as they felt the sting of the perennially powerfully Duke, Penn State, and Maryland teams. Despite the slide four Carolina booters obtained a berth on the Southern Conference team—fullback Barry Kalb, right halfback Tommy Hopkins, center forward Gerry Russell, and inside right Renny Randolph.

# SWIMMING

This year proved no exception for Carolina's swimming team. It continued its successful seasons and extended its winning streak to an almost unsurmountable height.

At mid-season the Tar Heels had easily won all their meets, breaking records in every meet except one. Jack Edwards started the season off right by breaking a 100-yard freestyle record at VMI. Next the swimmers took on Bainbridge Naval Training Station and broke five records there — Donnie Evans splashed his way to tie a Carolina and break a Bainbridge record for the 200-yard breast stroke; others breaking Bainbridge records were the medley

relay team (Baarcke, Evans, and Tinkham), Heins in the 50-yard freestyle, and Tinkham, Heeman, Baarcke, and Edwards in the 400-yard relay. Against Go. Tech the swimmers teamed up to set a new pool record in the 300-yard medley relay and a new University record in the 400-yard freestyle relay. In the next meet against Va. Tech the swimmers again broke the 400-yard freestyle record and set a new Southern Conference dual meet record in the 50-yard freestyle. Traveling to Davidson the Blue Dolphins continued their record smashing by breaking two Southern Conference records (100-yard freestyle and 200-yard breast), one University record, and five pool records.

After the Davidson meet the Tar Heels had extended their victories to a string of thirty-two consecutive wins. This makes the swimmers over all record at Carolina 110 victories to 12 defeats. Last year made the tenth year that Carolina has won the Southern Conference title; except for a technical detail the string will be extended to eleven this year.

Seniors Stan Tinkham, Donnie Evons, Barry Wall, Bud Heins, and Buddy Baarcke have never been on a defeated team. Their freshmen team won ten victories, and during their varsity stay (1951-52-53), they have been undefeated.

ming career, this team is probably the best that has ever represented Carolina. Each event in the swimming meet program contains a Carolina boy that may threaten a record or obtain a new title.

Besides the aforementioned seniors, other standouts on the team this year include sophomores Jack Edwards, Warren Heeman, Larry Shannon, and senior diver Joe Kelso.

Led by Co-captains Donnie Evans and Stan Tinkham and under the tutelage of their new head coach Ralph Casey, the 1953 team extended their record to thirty-six consecutive victories, finished their third undefeated season, and set several new records in the Championship Meets in March.

Twenty-five meets and twenty three victories, third in the South, three Conference champions—that is the bright record of the 1952 Carolina tennis team. Losing only to Duke and Rollins, the Tar Heel racquetmen gained triumphs over such formidable foes as Brown, Michigan State, Harvard, Williams, Dartmouth, N. C. State, and Virginia. Coach John Kenfield's prodigies won six of their twenty-five meets with little or no effort.

The squad took first in both the singles and doubles conference championships, but a determined Duke team captured the team trophy. Junior Del Sylvia, Virginia state singles champion in 1951, grabbed top honors in the conference singles competition, while Herb Browne and Bobby Payne walked away with the conference doubles trophy. By winning, they became the first freshmen in conference history to win a major event. A Columbia, S. C. lad, Browne is former national inter-scholastic champion.

Other standouts who helped to compile the Tar Heels' enviable record were freshmen Sam Handel and Ronald Kerdosha and junior Bill Izlar.

# TRACK

Although the 1952 Carolina track team was not up to its usual par, it was good enough to win four meets while losing three and to take third place honors in the Southern Conference championships.

This year's team was co-captained by Frank Scott and Gene Brigham, winner of Southern Conference half mile and Evans award.

Bobby Barden, a freshman two miler; Roger Morris, shot-put artist; Sonny Beall, victor over 120 yard high hurdles conference titleholder; Harry Brown, low hurdles and 220 competitor; and Bill Cornell, point winner in the low hurdles, high hurdles and javelin—all these were consistent winners during the season and will be back next year to strengthen the team.

# WOMEN'S SPORTS

The Women's Athletic Association, of which all coeds are automatically members, sponsors several sport clubs and an extensive intramural program. The WAA Council with the aid of the Women's Physical Education faculty directs the sports.

Tournaments and games provide at least three different sports each quarter in the large year-round intramural program.

The clubs form separate units from the intramural program. Some, as the Hockey Club and Basketball Club, schedule games with other schools; while others, as the Splash Club and the Dance Club, band together to acquire better knowledge of the activity.

Each spring a trophy is given to the dormitory and the sorority which have accumulated the highest number of points during the year. Also girls with a certain number of participation points are awarded individual monograms.

The girls have facilities for a wide variety of sports, but the three most popular are the above—archery, ping pong, and tennis.

The voluntary sports program furnishes wholesome fun and activity to both the dorm and fraternity participants.

Through tag football, wrestling, volley ball, golf, handball, table tennis, soccer, basketball, swimming, softball, horseshoes, tennis, water polo, and track enough variety is offered so that each can participate in at least several sports.

Dear Students,

The book started out in March 1952 with a lot of new and untried ways of presentation. Some of the new ideas proved to be of good quality while others were not. Please forgive the mistakes and appreciate the overall beauty.

It was a long, hard, struggle that preceded the completion of this **Yack** but the work and sweat that went into it, I believe, was well justified. We typed copy, lost pictures, ran to and from the Photo Lab, begged students to have their photos made, hunted snaps, corrected write-ups, misspelled names, remade engravings by special request of "South," over ran our budget, and missed our deadlines, but we still brought the book out on schedule. How, we don't know!

I want to express my particular thanks to all the students who offered their time and services in the making of this annual. A special thanks to Price Coursey for those swell steak dinners and the moral support.

Love and kisses,

*Hugh Gale*

# THE DAILY TAR HEEL

The **Daily Tar Heel**, going strong since 1893, continued its job of keeping students informed as the oldest college daily in the South.

Walt Dear, long time staffer on the paper, replaced popular Barry Farber who resigned his post in mid-fall to join the Armed Services. An Interim Editorial Board composed of Rolfe Neill, Sue Burress, and Bev Baylor edited the paper while the campus enjoyed an editorial campaign to choose Farber's successor with Dear and Sports Editor Biff Roberts teeing off.

Dear retained Managing Editor Neill, Roberts, and Jim Schenck, business manager, to aid him in producing a well-read and lively newspaper.

# CAROLINA COMMUNICATION CLUB

The students of the Department of Radio of the University of North Carolina established the Carolina Communication Club on April 4, 1950.

Our purpose is:

- To promote interest and activity in the fields of radio, television and related fields of communication.
- To establish a working organization to provide an outlet for the interest and talents of its membership.
- To establish a working organization to provide, through social functions, an opportunity for closer personal associations among its members and the staff of the Department of Radio.

Most important among our special projects are our work shops in Radio production, thereby teaching new students who are unfamiliar with the equipment and its possibilities to use it to the best advantage.

# CAROLINA FORUM

The Forum, being only four years old, has achieved considerable success as Student Government's official speakers bureau. The Forum attempts to bring to the campus those most qualified speakers from the several fields of public life.

In the past years the Forum has presented such prominent speakers as Senator Robert Taft, Mrs. Eleanor Roosevelt, Generals Mark Clark and Omar Bradley, Radio Commentator Edward R. Murrow, Secretary of Labor Maurice Tobin, and Senator Paul Douglas.

This year's program included Secretary of the Army Frank Pace, Jr., Senator Estes Kefauver, Senator Hubert Humphrey, Ambassador Henri Bovet, and Dr. Frank Graham.

# CAROLINA INDEPENDENT COED BOARD

The Independent Coed Board is an organization to effect the principle and belief that individuality may be given a voice through organization, and that through unity the independent women of the University may find opportunity for the development of social, civic, and intellectual interests, as well as opportunities for leadership and the realization of objectives beneficial to the individual and to the community.

The Board itself is made up of two representatives elected from each women's dorm by the non-sorority women, but all the non-sorority women on campus belong to it and come under its auspices. The Board is the medium and coordinator through which the Independents plan activities including parties, dances, political and civic projects.

# THE CAROLINA POLITICAL UNION

The Carolina Political Union was founded in 1936 under the sponsorship of Prof. E. J. Woodhouse of the Political Science Department for the purpose of discussion of issues of interest, and to present speakers to the campus. It has brought many outstanding speakers to Chapel Hill including President Franklin D. Roosevelt, Senator Paul Douglas, and Maurice J. Tobin. This year the union hopes to bring Justice William O. Douglas, Governor G. Mennen Williams, and President Harry S. Truman to the campus.

# CAROLINA PLAYMAKERS

When Frederick H. "Proff" Koch introduced his now famous "English 31" at the University in 1918, he could not have foreseen the phenomenal growth that followed his pioneering. From that single course in beginning playwriting has grown a complete and independent department in dramatic art and its producing organization, The Carolina Playmakers.

Five major plays and six productions of new works by student playwrights are given annually in the Playmakers Theatre; musicals and touring attractions sponsored by the Playmakers are staged in Memorial Hall; and at least one play a year is produced in the Koch Memorial Forest Theatre. One major production each year is taken on tour throughout the southeastern states.

The Carolina Playmakers act as sponsoring organization for the Carolina Dramatic Association and the Southeastern Theatre Conference, active organizations of high school, little theatre and college drama groups.

# CAROLINA QUARTERLY

Although founded in 1947, the **Carolina Quarterly** is actually a revivication of the old Carolina Magazine, which was first published in 1844

The emphasis at the **Quarterly** has traditionally been on making available an outlet for creative writing in the State and especially here at the University. If the **Quarterly** in the past has strayed from this goal, it returns this year to its original purpose, with emphasis especially on encouraging student writing.

This year saw the offering of the Second Annual Fiction Award of fifty dollars to the best short story submitted to the contest.

Recognized as one of the leading Southern literary magazines, the **Carolina Quarterly**, although not an official student publication, is staffed entirely by undergraduates of the University.

# TARNATION

In response to an urgent demand from the student body, **Tarnation**, Carolina's humor magazine, lurched back to the campus this fall to go about its business of amusing and abusing everyone in sight. Discontinued temporarily last year because of a lack of funds in student block fee, **Tarnation** revived publication, this time on money derived from individual subscriptions. In spite of the dire threat of semi-solvent financiality, four big issues of the old nine-by-twelve size reappeared sporting slick photo features as well as the usual complement of cartoons, articles and stories.

After the effort we have expended we realize that there is nothing to putting out a good humor magazine . . . all you need is the combined staffs of New Yorker and Punch, a million dollars, and a few people who have rocks in their heads!

# COSMOPOLITAN CLUB

The Cosmopolitan Club tries to provide "a home away from home" where students from other countries may meet each other, and meet American students.

It believes that by meeting and knowing each other, we can break down many of our prejudices which lead to world misunderstandings, and thereby promote the cause of world understanding.

# WESLEY FOUNDATION

Sunday night suppers, picnics, group singing, plays, and discussion groups were just a few of many activities carried out by the Wesley Foundation of the Chapel Hill Methodist Church this year.

This organization has as its aims the training of students in ethical and social standards; the improvement of personality limitations through recreation; and especially the development of a spiritual inspiration which may help guide the students in life.

# Consolidated University Student Council

The Consolidated University Student Council consists of eleven delegates selected from the three branches of the Consolidated University: Carolina, State, and Woman's College. The Council meets to discuss subjects of common interest to the three branches.

The CUSC this year sponsored two Greater University Days, one at State and one at Woman's College during the winter and spring quarters. The Greater University Day normally held at Carolina at the State and Carolina football game, was called off due to the polio scare.

Consolidated University Student Council ties the three branches of the Greater University together in a common bond of friendship.

# The Student Entertainment Committee

The Student Constitution says, "It shall be the duty of the Student Entertainment Committee to provide for the campus a suitable entertainment series." In doing this, the SEC, with money appropriated by the Student Legislature, brings to the campus this year The United States Marine Band, The Fred Waring Festival of Song, Nadine Conner, and Ogdan Nash. Admission is free to all students.

The success of the program presented by the SEC is very gratifying, and each of the committee members feels that the work that he does is a very important part of campus life here in Chapel Hill.

# DEBATE COUNCIL

DEBATE COUNCIL

Seated, left to right: Bruce Merger, President; Derith Alexander, Executive Secretary; Wade Matthews • Standing: Robert Clampitt, Ken Myers, William Watt, Normon W. Mattis, Faculty Advisor.

The Debate Council is composed of a select group of students chosen by the debate squad, representatives from the Dialectic Senate, the Philanthropic Society, and the Carolina Political Union. It grew directly out of the "Phi" and the "Di" and while it once represented the student government, it is no longer confined to "on campus" activities, but sends representatives to neighboring schools as well as to many Forensic Tournaments to compete with other debaters from outstanding universities throughout the East.

The Council encourages debating both on campus and in competition with other schools.

# THE DIALECTIC SENATE

The Dialectic Senate was founded on the campus of the University of North Carolina in 1795, destined to become the very basis of the Carolina way of life. The Di furthered the growth of the University library, upheld the Honor System, and controlled student government and campus legislation. It was not until 1885 that compulsory membership was discontinued, at which time the Senate became known for its forensic advantages which it so well offered the student.

The Dialectic Senate today is the oldest organization of its type in the country. It is here that students in the University come to express their ideas in public debate, setting forth opinions in such a

way as to sway those of others. The history of the Di is long and illustrious while its future is bright and encouraging. A large renovation program is well underway and next year should see the Hall carpeted and furnished with individual desks for each member. Much interest arises each year in current affairs and pertinent issues of the time. Debate ranges from local campus lines to state, national and those of international importance. Parliamentary procedure is strictly adhered to, while business is conducted in the same manner as in the state senate. Above all, the Di Senate fosters unhindered participation, expression of thought, and the idea that the will of the majority rules.

### Young Men's Christian Association

Ninety-three years on this campus, the Carolina Young Men's Christian Association is one of the oldest student YMCA's in the world. Although its activities and interests have changed somewhat through the years, it has always been a pioneer in deed as well as thought.

Not limited by a preset structure, it seeks to meet students wherever their interests lie, moving ahead on the basis that Christianity applies to every aspect of life.

Each member finds himself growing in Christian leadership as he seeks to serve the campus in one of many fields of interest, and especially as he worships, studies, and acts together with others.

### The Freshman Friendship Council

Following thirty years of tradition, the Freshman Friendship Council has again been organized and is functioning with great potentialities; during Freshman Camp and immediately following, some of the freshmen became intensely interested in a program whereby they could continue their orientation. The freshmen felt that they could function best through a program organized "of, by, and for" freshmen.

Committees were organized around special needs and interests. A "How to Study" was organized by Bennett Myers, and a "How to Dance," by Ray White. Jim Turner and his Deputations Committee sponsored excursions to neighboring colleges. Other committees functioned on their own, while some committees, such as the deputations to Camp Butner, an honor prison near Durham, were coordinating their plans with the general purpose of the YMCA.

## GRAHAM MEMORIAL

Graham Memorial, the university's student union building, was opened over twenty years ago as a memorial to former university president Edward Kidder Graham. For fifteen hours a day, G.M. bustles with a maze of activity occurring in its student publications rooms, student government offices, student union activities board headquarters, meeting lounges, travel agency, photo lab, wood-working shop, poster shop and the popular Rendezvous Room.

The enterprise of the student population and SUAB kept the building teeming with action—so much so that it became more than evident that additional student union facilities were of paramount importance. The university realizing this, included in its budget request to the state, among its most urgent needs, a new student union building, more centrally located. The fulfillment of the request will carry with it the promise of a new day for the Carolina student.

## STUDENT UNION ACTIVITIES BOARD

SUAB, as the Student Union Activities Board is popularly known, has two basic areas of activity. First, the planning and execution of student union activities. Second, the coordination of campus activities in order to bring more students into active campus participation and to avoid conflicts in scheduling of events and overlapping of organizational programs.

The former function is carried on by the following student committees: Film, Forum, Dance, Display, Office, Public Relations, Tournaments, Music, Receptions, Student-Faculty Relations, Special Services, Polls, and Calendar.

The latter function is performed by the SUAB Coordination Council which is composed of the heads of some forty major campus organizations.

The program is a varied one, ranging from religious and cultural functions to dances and other social affairs; activities include religious services, exhibits, forums, classes, vocational information, and projects of an interfaith nature . . . all of which help to encourage Jewish education and spiritual growth. The program is determined by the Cabinet and by numerous committees, through which the students participate in the organization.

# MEN'S GLEE CLUB

The Men's Glee Club, under the direction of Joel Carter, began its Fall activities by joining the Women's Glee Club in singing at the annual University Day celebration. The quarter's work was climaxed by the annual Christmas Concert featuring the combined clubs. The Philanthropic Literary Society is a 157 year old debating society which has served this campus as a medium for the expression of thought, the interchange of ideas, and the advancement of the Literary Arts.

With its sister society the Phi has endowed the University Library with its valuable collection of books, contributed to the building of New East in which it is housed, and served as the impetus and channel through which Carolina student government developed.

More recently the Phi has adopted the pattern of organization of the State House of Representatives. Thus students are offered legislative experience and training without standing for election. The Phi offers learning-by-doing experience in the making of legislation, writing of bills, parliamentary procedure, in committees and large groups, and public speaking.

The program of the Phi is aimed at producing better trained leaders and statesmen and more enlightened, politically aware citizenship, and is dedicated to Virtue, Liberty, and Science.

# TOWN GIRLS' ASSOCIATION

The Town Girls' Association is an organization on campus to further the social life and campus activities for town students. It is through this organization that town students are able to enter into the intramural program and places them on an equal basis with the dormitory and sorority division.

The University Dance Committee has as its foremost objectives the role of host at Carolina dances and the task of maintaining order at social functions sponsored by campus organizations. This group of students, familiar in their formal dress with blue and white rosettes in their lapels, in their careful vigilance of campus dances are striving toward making Carolina dances the functions that both students and faculty desire. During the 1952-1953 season the Committee has effectively performed its duty. The group has had a most successful year, both in helping to put on Carolina dances and guiding them toward perfection.

# UNIVERSITY PARTY

The University Party, having functioned continuously for two decades, is the oldest of the campus political groups.

Its membership is composed of representatives to the steering committee who represent any group of twenty-five students. This committee formulates party policies and serves as the medium of expression for the represented groups.

It is the conviction of the party that this group organization provide a more efficient organ for administering the function of political parties in student government, and this belief has been justified in the past by the high caliber of University Party candidates elected to responsible student government offices.

Sol Cherry served as party chairman this year and carried on the work of the University Party in traditional fashion.

The Membership Council, composed of representatives from each dormitory and sorority house, and Cabinet, composed of officers and committee heads, meet every week to discuss business and programs. The Advisory Board has fourteen adult members, both townspeople and persons connected with the University. Organized on campus in 1937, the Y.W.C.A. has two full-time directors and over 400 members.

# NORTH CAROLINA STUDENT LEGISLATIVE ASSEMBLY

KEN PENEGAR  
President

The North Carolina Student Legislative Assembly was founded in 1936 by a forensic fraternity at State College as primarily a debating function. Since then it has grown into a mock-state legislature with the two houses of the Assembly in use—the Senate and the House of Representatives.

Each of the twenty-five member schools is entitled to three Senators and a proportional number of Representatives based on the school's enrollment. The delegates at the Assembly debate bills on the international, national, state, and student level with emphasis on those bills of state and student level.

Each House of the Assembly elects its own officers for the duration of the three day meeting; the executive officers of the entire Assembly are elected by joint session and serve for a year. Carolina is fortunate in having one of its delegates serve as this year's President of the Assembly and one as Speaker of the House.

HAM HORTON  
President

The Student Government of the University of North Carolina had its beginning in 1795. Two literary societies, the Di and the Phi, were formed and took the lead in forming a system of campus government. A Student Council followed the societies' control and in 1947 a constitution was accepted which gave us our present system.

From over 150 years of work and planning evolved our present system which is one of the strongest in the nation. Protection of student rights, the betterment of student facilities, and the control of the student fees are the main functions and purposes of Student Government under the present constitution. The Student Government of 1952-53 has been working for these aims.

The establishment of an infirmary dispensary, the forming of a check-cashing service in Lenoir Hall, the re-establishment of the **Tarnation** humor magazine are a few of the many things the Student Government has done this year in the completion of a practical platform. The fight against Saturday classes was led by the officers of the Student Government.

This year at Carolina has been filled with many successes in programs and many accomplishments from successfully executed plans. All this has been made possible due to the untiring efforts of Ham Horton, the President of Student Body, working with his able appointees. This has been a progressive year for Carolina and with the experience and know-how of the past years, the Carolino system of Student Government will grow and become even stronger in the future.

The Men's Interdormitory Council, the executive, legislative, and judicial part of student government most directly concerned with the dormitory men, represents approximately 3,000 men residing in the University's nineteen dormitories. The council consists of the president and I.D.C. representative from each of the dormitories, along with five hold-over officers. This year's officers, elected in the spring of 1952, were Paul Somerville, President; Bill Acker, Vice-President; Walt Gurley, Secretary; John Ingle, Treasurer; and Dick Gamble, hold-over I.D.C. # MEN'S INTERDORMITORY COUNCIL

The council's chief functions are connected with affairs which affect dormitory men. Through the work of I.D.C., social rooms were established and furnished in the dormitories during the summer of '52; therefore, the council's primary interests this year were toward the improvement and further utilization of the social rooms and the betterment of dormitory physical facilities and social life. Probably the largest single activity of the year was the annual Interdorm Dance, sponsored and presented by the Interdormitory Council for the entire student body.

The Student Council, the supreme representative of the judicial branch of Student Government, is the most vital part of Student Government for to it falls the responsibility of regulating the application of the Honor and Campus Codes, and justice to every individual.

The council has original jurisdiction in cases involving the constitutionality of the student constitution. This court also reviews petitions made by a defendant if he or she feels that the Women's Honor Council, The Men's Honor Council, The Dance Committee, Interfraternity Council, Dental School Council, Law School Council, Medical School Council, Interdormitory Council has denied him the constitutional rights guaranteed him in the constitution.

The council is composed of nine people. Three elected by the men, three by the women and three by the entire student body.

The Student Legislature, founded in 1938, continues to function as the legislative branch of student government. Nearly all rules and regulations governing students here at the university are passed by this group. Its wide and varied powers, as defined in the 1950 revised constitution, are limited to its willingness to accept the responsibility which inevitably goes with authority.

Each legislator is elected by the students of his particular campus district. Under the conscientious and capable leadership of Jim McLeod, the Legislature worked with interested effort and was rewarded to see many problems solved. Outstanding among this year's projects were the redistricting of campus districts and the change of the meeting place from New East to Gerrard Hall.

WOMEN'S HONOR COUNCIL

Seated at Desk: Carmen Nahn, Chairman • Standing, left to right: Lillian Young, Jane Ann Sneed, Pepper Stetson, Joan Membery, Secretary; Kitty Barton, Beverly Chalk, Ross Young, Marilyn Habel.

## WOMEN'S HONOR COUNCIL

The Women's Honor Council is the coed judiciary which handles violations of the Honor System and the Campus Code by the women students, working as a parallel to the Men's Council. The Women's Council also acts as an appellate court for House Council decisions. The Council is one branch of the tripartate system of coed-self-government, working with Coed Senate and Women's Interdormitory Council.

Each year the Council leads the orientation of women students in the Honor System and Campus Code, instructing entering coeds in the origin and meaning of these standards. Composed of four juniors, three seniors, one graduate student, and one woman student at large, the Women's Council is an important phase of self-government, striving to increase a fuller participation in the Carolina way of life.

The Women's Residence Council is the Administrative body of Coed Self-Government. Composed of dormitory presidents, sorority house managers, an additional member from each dormitory, and representatives from the Nursing School. This group works with the office of the Dean of Women and the Board of Residence in regulating dormitory life.

The Women's Residence Council was incorporated in the spring of '52. Its functions include the interpretation of social rules and dormitory regulations, the recommendation of changes in regulations affecting women students, the supervision of house meetings, and the discussion of any problems which may arise in dormitory living.

Through the Women's Residence Council all coed administration is coordinated and linked to the office of the Dean of Women.

Special projects for the year were the drafting of a new constitution, the choosing of a May Day Chairman, the Head of Orientation for women students, and providing for the Women's Handbook.

Virginia Hall served as President, Sally Guerry as Vice-President, Fran McColl as Secretary and Betty Anderson as Treasurer. Marcie Harrer was the representative from the Dean's Office.

Standing: Shirley Gee, Gwenlyn Huss, Emily Cook, Lois Perry, Julia Robertson, Dot Smith, Margaret Thompson, Bert Jones, Mory Vinson, Tish Coley, Mory Anno Glod, Margaret Johnston.

MEN'S HONOR COUNCIL

First Row Seated, left to right: George McLeod, Ken Myers, Clerk; Frank A. Daniels, Jr., Chairman; Thomas Wooten • Second Row Standing: Stephen Perrow, Barrett Kalb, Frank Hood, Ken Anderson, Billy Barnes.

The Men's Honor Council, acting under the Student Constitution, has original jurisdiction in all cases of violations of the Honor Code and of the Campus Code. As violations of Campus Law are not by their nature in a codified form, the Men's Council by application of the criteria of honor and of gentlemanly conduct defines the application and the extent of Campus Law. Along with the duty of upholding Campus Law by hearing cases, the Men's Council also has the responsibility of orienting new students to our system and of keeping the system in front of the campus at all times.

In the hierarchy of our court system the Men's Council has functions parallel to the Women's Council, and is subordinate to the Student Council, our "Supreme Court."

The Men's Council is composed of three seniors, three juniors, two sophomores, one freshman, one pharmacy student, and one graduate student.

# MEN'S HONOR COUNCIL

Each quarter, students pay a \$5 block fee for student activities. This year **The Daily Tar Heel** and **Yackety Yack** were budgeted for about 57% of this \$5 or approximately \$2.80.

The Publications Board, composed of eight members—six students and two faculty members, supervise the finances of the two publications and the legislative appropriations. The board also negotiates contracts, approves editorial appointments to salaried positions, and purchases equipment. Under the Student Constitution, the board has no control over the editors in the performance of their duties.

Among the board's problems this year was a search for a new printer for **The Daily Tar Heel**. The board purchased a new truck, replacing the old "Green Hornet."

Officers were Walt Dear, Chairman; Joe Nelson, Secretary; Tom McDonald, Treasurer. Other members include Peggie Goode, and Jack Stillwell, Student Legislature Representative; L. M. Pollander and J. L. Morrison, Faculty members; and Marshall Cline, Financial Coordinator.

Various activities at the contest included girls making last minute adjustments and Jimmy Copps giving a running account of the proceedings.

Chapel Hill, Nov. 20—Tonight at Memorial Hall on the campus of the University of North Carolina, seventy-eight lovely young ladies competed for the twelve **Yackety Yack** Beauty Titles. The girls were presented in evening dresses by Jimmy Copps, popular WPTF announcer who served as master of ceremonies. Judges Ben Stimson, Robert Hodgkins, Jr. and Leon Joyner selected the twelve winners and these girls, each in turn, were presented with an orchid corsage.

The staff of the 1953 **Yackety Yack** wishes to express its appreciation to those persons without whose assistance and interest the contest would not have been possible: Mr. Jimmy Copps for his suggestions and assistance; Mr. Lavergne Johnson for his interest and encouragement; Messrs. Stimson, Hodgkins, and Joyner for their cooperation; Frances Jarman of WDNC; Bill Collins for music and entertainment; Mr. Harry Davis of the University Florist; the backstage help; Bob and Albert Farmer on the lights; Tom Carroll of WUNC; and all the other wonderful people who helped to make this the best contest yet.

## HISTORY

Alpha Kappa Psi—founded on October 5, 1904, at New York University, New York City—is the first and oldest commerce fraternity in the United States. Chapters have since been established in those schools which have been highly accredited in the fields of commerce. Our chapter, Alpha Tau, was first installed at Carolina on February 18, 1925; and after being dormant since 1933, it was reactivated on November 7, 1948, and has since attained one of the highest ranks among all the chapters in the nation.

# ANNUAL BUSINESS FAIR

Students inspect exhibits of the 1952 business fair sponsored as a service to the school by Alpha Kappa Psi.

Alpha Kappa Psi sponsors and carries out many professional programs and services for the benefit of its members and other students of business administration. These programs take a variety of forms including outstanding speakers from the business world and education, professional seminars, career conferences, business exhibits, educational motion pictures, and research surveys. Inspection tours of leading industries and business firms are conducted at frequent intervals. The fraternity operates its own placement service to assist graduating members and alumni to make desirable business fair, which consists of a full week of speakers, exhibits and meetings.

We, the members of Alpha Kappa Psi, have made it our task to further the individual welfare of each member by the association of our mutual helpfulness and common interest in the areas of business administration. It is our utmost desire to better ourselves through an exchange of ideas and through knowledge of commerce so that we may become professionally improved and better able to fit into the mold of the business world. We seek to accomplish these ideals not only through programs, but through social activities as well.

# ALPHA PHI OMEGA

The year 1952 marked another milestone for Alpha Phi Omega. Rho Chapter established at Carolina in 1930 to promote "Leadership, Friendship, and Service" on the Carolina campus has done just that.

During the past year Rho Chapter has conducted the following projects to help promote campus and community activities. The projects include the Second Explorer's Conference which brought some 440 Boy Scouts to our campus; Parent's Day also was a jam-packed schedule of events held in cooperation with the Morehead Planetarium and the University Concert Band; Guide Services through the buildings and over the campus to some 5200 North Carolina High School students; as well as the Christmas Seal Sale; First Aid Stations and Concession Stand at football games; and an Ushering Service for all University Concerts and Forums when called upon.

The fine group of men Rho Chapter initiated during the year will be a valuable asset to Carolina in helping to keep the University among the more prominent of the 264 chapters of Alpha Phi Omega in the United States through the ideals of the fraternity, "Leadership, Friendship, Service."

# PHI ALPHA DELTA

Phi Alpha Delta is a national secret Greek law fraternity founded in 1898 at the University of Chicago School of Law. Ruffin Chapter of the University of North Carolina was established in April 1921. The purpose of the fraternity is to improve professional standards through association of students with the bar and to provide a practical supplement to legal education.

Each year the Chapter conducts a mock trial, presided over by a member of the state bench, to allow students to put brief making and trial procedure into practical application. Regular business meetings are held every two weeks in addition to frequent banquets at which eminent speakers from the bench and bar are presented. A leading textbook service set up by the combined social-professional program is carried out with the intentions of forming a strong bond between members of the classes in Law School; the forming of a relationship between members of Law School and former students; and cultivation of principles of legal justice through bonds of friendship.

Crash went the ceiling, up went a new one complete with a fresh coat of paint—and we were off with a bang for a successful rush reason. Twenty-five pledges later, the real year started with coffees, parties, Saturday brunches and after-dinner bridge games.

The year was a busy one for Alpha Gams with Manya presiding at Smith and Newman Club . . . Shirley doing a million things at once, legislature, Women's Residence Council, Spanish Club, Bi-Partisan board . . . Jody and her second home at **The Daily Tar Heel** office . . . Lyn and her second home in Swain Hall . . . Ellen managing athletics.

Remember . . . Roz and her roses, Claire and her horse . . . Bev waiting for Sonny, Felton waiting for Carol . . . Dot and her Sunday afternoon movies . . . Norma refusing to stand up for "Dixie" . . . Anne behind the footlights . . . Jo's pleading at the first of the month . . . Pat starry-eyed . . . Perky electioneering . . . Dee as a wonderful rush chairman . . . Jeannette writing letters—and more letters . . . Joan's "anyone for bridge" . . . Jean and the Pall Malls . . .

All this and much more went into the year to make the "best of all" for the girls who wear the Pearl Pin.

Things have been popping at the Tri U House(s) all year . . . greatest thing since Ford, our pledge class of 35 winners, kept things alive. More additions to the sardine can household: "Bubbles" with her breakfast talks and PiKa pin, Brad—the globe trotter extraordinaire, and Mary Mar with the "rack." Surprises from old timers: Sally and the Christmas wedding . . . never a dull moment with the "pin ups" Luke, Ross, and Umpie . . . "Teancy" and Grace forgot their singing careers and went Valkyrie . . . Rowdy was taken in hand at last as were "Pepper," Umpie, Dot, and Sally for singing at all hours . . . Cooley came and went with the "three year plan" while Burruss contemplated same. Snerd was the balancing influence when Gribbo and "the travellers" got the itch . . . Mac present but always late . . . Street, the politician, laughed 'em up and Jackie splashed paint while M. E. campaigned for IKE and Joan was still confused. Homecoming Display, "Lick Duke" float, Valkyrie Sing . . . won, lost a few but survived them all . . . Walt and Abbey with good shoulders to cry on when Mom Carter wasn't around . . . Pledge Dance week-end, "sour hours," and beach parties were fabulous but Mondays were ghasty . . . The new house on Pittsboro St. finally finished—the celebration that followed equalled Bastille Day and July 4th combined. Seniors faded; new faces took over with "gung-ho" spirit and great confidence for another successful year with the Deltas three.

September of 1952 ushered forth another eventful year for Beta Chi Chapter of Kappa Delta.

Sister Jackie was here early as a student advisor to welcome the new students. The rest of us were here also, but we were lost in the maze of point cans, scrub brushes, etc.

Before we knew it Orientation was over, and rushing had begun. We had an exceptionally good year as Connie took over as President. Our wonderful Pledge class and our two transfers, Lou Ann and Betsy, also added much to make this a good year.

Various activities kept all of us busy throughout the year. Mary Grace and Ruth delved into the

deeper realms of knowledge to help us maintain the Scholarship Cup.

Sister Pat represented us at one of the U. N. conferences. Margaret Ann represented us on the "Y" as the capable Chairman of the Social Service Committee.

Fran, A. J., and Pat added their melodious voices to the Girls' Glee Club. Splash Club received a rather dampish support of Louise.

Daisy also lent her artistic ability to the **Yack** as art editor. A. J. received the latest information on the campus by working on the **Yack** and **Daily Tar Heel**. Edna contributed her humor to the **Tarnation**.

But the fun wasn't all in the honor winning. There were Jenny and Blocker, always with the songs . . . then "We'll Remember Membery-O" . . . Susie, Alice, and Kirby with their private phone numbers . . . B. Rose and Mer "growing grey" . . . the diamond ring gang—Helen, Joyce, Bish, and Alice . . . The sororities saw a successful year in pledging 159 girls. Fraternity dances, May Day planning and the Spring Workshop were just a few of the activities highlighting the year.

The council made the annual award of a silver loving cup to the sorority with the highest scholastic average.

The Stray Greeks is composed of sorority girls whose chapters are not on campus. Its aim is to provide a social outlet for its members and to preserve the bonds of unity and sisterhood in sorority life.

The group was founded in 1944 under the leadership of Twigg Branch. It has gained more and more recognition on campus since then and its membership now totals twenty-eight.

The Interfraternity Council, long regarded on this campus as a do-nothing organization, came out of its doldrums with a rush this year.

Under the capable leadership of Johnny Robison, the IFC stepped out in the head of the fight to banish hazing from the Carolina campus. This accomplished, the council set out to stop the discrimination against coeds in the present visiting agreements.

The IFC also presented its annual Andrew Bershak scholarship, valued at two thousand dollars. The fund is made up of individual contributions from the members of the social fraternities.

Also the council branched out into matters that concerned the campus as a whole. Careless students were abusing their old custom of congregating on the South Building steps between classes to drink coffee by leaving the area littered with spilled

coffee, discarded cups and candy wrappers and all the other refuse that a large, and transient group can find useful for a time and then discard. With a vigorous publicity campaign, the IFC led other campus organizations in making the student body conscious of the mess they were making. The steps are fairly clean now.

The Interfraternity council is composed of three members from each fraternity, the house president, a junior delegate, and an alternate. It has as its purpose to further by unification and high ideals the brotherhood, character, and scholarship necessary to any fraternity worthy of the name.

This year the German Club has again brought three big name bands to the campus. The club is made up of thirteen social fraternities and under the direction of Bryant Hare, President, the 1952-53 dances were termed a big success.

The dance series began in October when Charlie Spivak and his orchestra were on the same week-end as the Virginia Game which was also Homecoming. It was the gayest week-end Carolina has seen in a long time with all events except the football game living up to everyone's expectations.

The nation's number one band, Ray Anthony, provided the music for the Mid-Winters which was held in February, and gave us the best week-end of the quarter. The Spring Finals in April wound up the Club's social activities for the year.

The officers for the 1952-53 season were Bryant Hare, Phi Gamma Delta, President; Alex McMillan, Sigma Alpha Epsilon, Vice-President; Jimmy Schenck, Delta Kappa Epsilon, Treasurer; and Gordon Taylor, Sigma Nu, Secretary. Other members of the executive board and representing the thirteen fraternities were: Jack Borden, Phi Gamma Delta; Henry Wilson, Delta Kappa Epsilon; Jake Roundtree, Pi Kappa Alpha; John Baldrige, Beta Theta Pi; Roger Kingsbury, Alpha Tau Omega; Pat Sammonds, Phi Delta Theta; Wallace Pridgen, Sigma Nu; Tommy Ruffin, Sigma Alpha Epsilon; Skippy Roddey, Sigma Chi; Eddie Gross, St. Anthony; Bill Yates, Kappa Alpha; and Jones Yorke, Kappa Sigma.

Charlie Spivak accompanied by his orchestra and the "sweetest trumpet in the world" invaded our "quiet" village for a concert and dance to launch the club's first event of the season. Even the coeds had late permission and a large crowd was present for both functions. Spivak's music seemed to appeal to the audience, and there are few name bands which make for equal listening and dancing pleasure.

Notches in Spivak's musical belt are 20th Century Fox's "Pin-Up Girl," and "Follow The Boys" for Universal plus a flock of box office records created at the Paramount and the Statler in New York, the Palladium in Hollywood and other top spots. Charlie's music-making is so solidly established for its individuality that it can be identified whenever and wherever it is played as indubitably Charlie's.

The second in the series of dances sponsored by the German Club was highlighted by the reappearance of Ray Anthony who needed no build-up or introduction on the campus. It was the biggest event of the quarter with the nation's number one band playing for two formal dances and a Saturday afternoon concert.

Anthony, who started out with the late Glenn Miller orchestra, plays in the old Miller style. The versatility of the two band leaders is similar, but Anthony does more solo work than Miller did.

A few popular recordings by the Anthony band in the last five years are "Darktown Strutter's Ball," "Way Down Yonder in New Orleans," "I'll See You in My Dreams," and "When the Saints Go Marching In."

# SPRING GERMANS

Finals is always the highlight of the year and this season was no exception. The music provided by Louis Prima and his orchestra was good and different. Prima's concert featured a variety of tunes specializing in Dixieland and novelty numbers, but when the evening dance rolled around the tempo was slowed down and a large crowd danced on until morning in Woolen Gym.

In Prima we found dancing, entertainment, excitement, and modern music all combined in one fine band. He aimed his music right to his audience and was careful to see that all his arrangements struck the proper balance for concert and dance music alike. Playing the type of music that has rated him as one of the top college prom bands in the land, Prima furnished us with a fine ending to another successful year of German dances.

In the traditional dance figure the outgoing officers of the German Club symbolically turned over their duties and honors to the incoming officers. Those retiring were Jake Froelich with Miss Mary Strickland; Billy Quarles with Miss Elizabeth Roe; Chuck Hoywood with Miss Betty Bowles; Bill Bostic with Miss Ann Riggsbee; Spencer Gregory with Miss Betty Stomey; Bill McKay with Miss Clara Howell and Fletcher Green with Miss Wanda Philpott. After a successful rushing session in the fall, Alpha Delta began extensive social, athletic, and educational activities. Naturally the emphasis was always on the educational scale. It is doubtful if such good times as the Maryland week-end, Pledge week-end, and Spring Germans will ever be forgotten except by those who were unable to make the muster. However, the climax to the season was attained beach week-end when Taus fell by the wayside in geometric progression.

Many brothers distinguished themselves. Randolph moved in town from his hermitage on Boundary Street to rank as one of the great casanovas

of all times. The Mutt returned "merely to advise in academic and athletic affairs." B'foot's date Fall Germans will always remember his exciting "gotcha" contest with Flinn. Teeny's prodigious studying on the fine art of sand wrestling is preserved for posterity on film. After making his stage debut, Noet (I've still got the figets) Sullivan summered in Europe acquiring a cosmo? outlook. Jim (Deb Ball) Webb was unanimously elected Y-Court representative. September and Sambo welcome us back for the first of another one hundred years on the Hill. With the centennial celebration still fresh in memories we hailed returning alumni on football week-ends—suffering along with the Tar Heels in the somehow still-standing bar-in-the-back. Reports from the big class of '52 found most of them biding time at Jackson.

The forces were depleted for the rush season but the pledges kept coming in—some 23 in all. House bills didn't go up this time, in spite of Buddy. The wheels kept wheeling with the Senator and Henry playing top cogs . . . Tom, the Bun and others following close behind . . . Beta Clique they called it.

The football team didn't fare too well but the Betas did their best—Tad, Freda, and Flo tried to get the ball moving. In the playoffs for the tag football championship again, but couldn't repeat as winners, although Kid Collom, Harry Green and the boys made a Beta stab at it.

Keeping the pledges off our necks and hoping they wouldn't give us a hell week . . . No Rennie with gigantic cottage but still come the spring time beach trips . . . Sperosa year around standby plus those lengthy trips to Wotts.

Toddy trying to keep the boys in line with as much luck as some of the sharpies in the trophy-room trysts. All in all, it was another great Beta year, number 101 for the chapter, the first for some, the last for a few . . . a hilarious one for all.

Alpha Alpha chapter of Chi Phi got off to its best start in years by pledging 22 of the finest boys on campus. There was no time wasted after the annual pledge banquet, with a top-notch intramural record and a great influx of extracurriculars being the principal early fall activities. Chi Phi figured high in publications, Student Legislature, campus politics, and of course the ever-present parties.

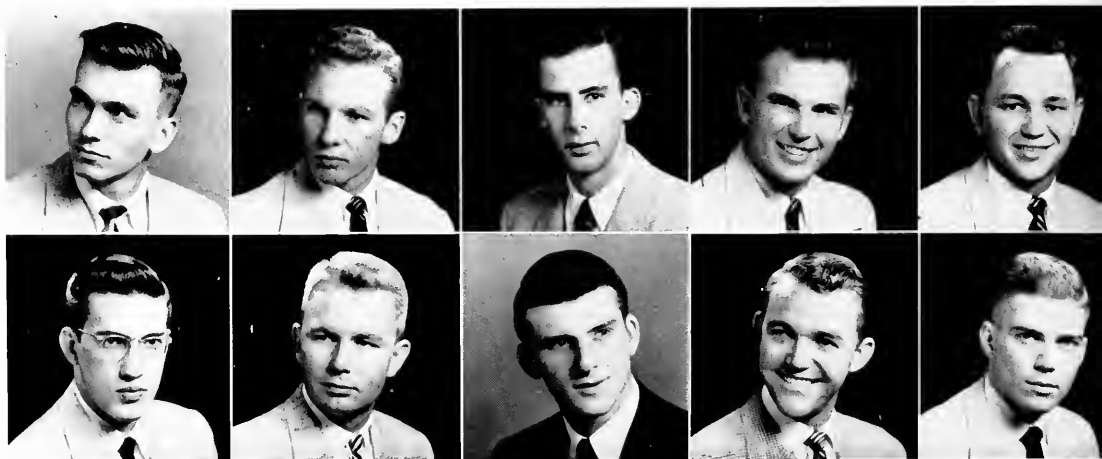

The inauguration of House Discussions with the most prominent professors at the University as speakers was another stride forward in Chi Phi's campus leadership. The annual orphan's party near Christmas time brought joy to the hearts of over 50 of North Carolina's more unfortunate little citizens, and the fall Germans made the old boys think back in a search for a better party. Winter brought more fine pledges through informal rushing, plus an enlargement of the Chi Phi quest for the number one spot in all phases of campus life.

Pledge week-end broke all records for festivities, another beautiful Chi Phi girl was crowned, and then it was spring. Parties at Hogan's Lake, electioneering for those Chi Phi candidates, and feverish work in an attempt to win the University Club Carnival cup for the fourth time kept the house in an uprear. But no one forgot it was his duty to win the scholarship cup, already won by Chi Phi in the fall. Beach parties at Wrightsville and Myrtle lasted until the last days of the year when once again intermingled thoughts of exams and a perfect year with Chi Phi filled the minds of brothers and pledges alike.

November 6, 1952 saw a new group gain recognition on the campus of U.N.C. The Delta Fraternity took its rightful place among the other social organizations at the University. Immediately, they petitioned the national social fraternity, Delta Upsilon.

Socially, this infant organization was really on the ball. After both the Wake Forest and Duke games, this bunch of glad lads and their dates footed their way half the distance to the J.C.'s cabin, except for Hot Rod Rader. Every Wednesday, these boys sat down to the serious task of starting a new fraternity.

SAE began its 95th year here at UNC with a real bang—coming up with sixteen terrific pledges and making one of the best pledge classes ever seen at N. C. Xi.

Under the able leadership of "the Red Thread" Wilcox the "ole" fraternity jumped ahead by leaps and bounds—completing the repairs on the outside of the house in the fall—the efforts were then brought inside for a general face lifting.

Parties, Fall Germans were a shaloping success. House still stood Monday afterwards, but only by a miracle.

Another miracle occurred that week-end—Mc-Millan had a date.

Fall, then winter, then spring, and it's all over again, but it's been a great year—and a lot has been accomplished—and so we can all head for the beach, the mountains or home with the feeling of a job very well done.

### HISTORY

Founded at Columbia University in 1910.

Colors: Purple and White.

Flowers: Lily of the Valley; Violet.

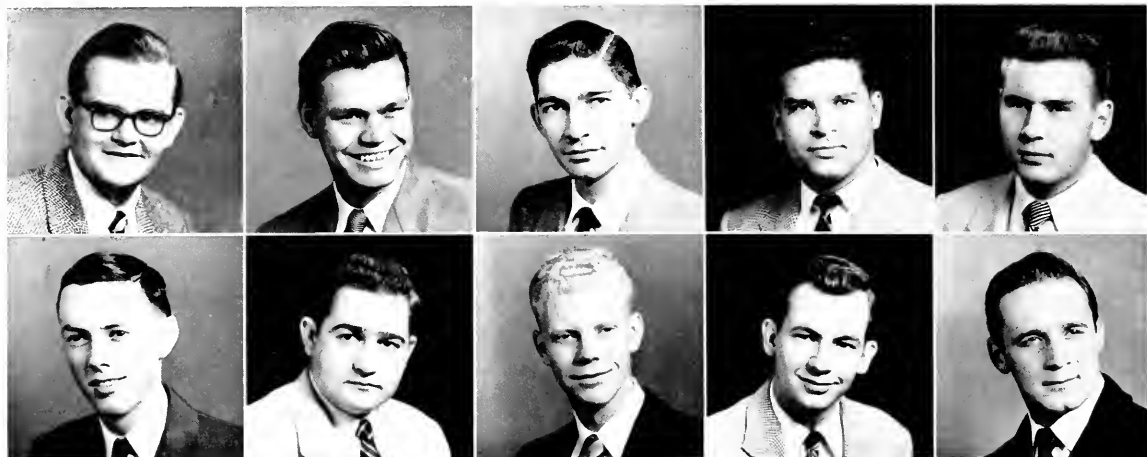

Publication: The Plume.

Established at the University of North Carolina in 1924.

Tau Epsilon Phi was founded on October 19, 1910, at Columbia University by a group of ten men who desired to perpetuate the friendships they had made with each other long after they had graduated from college. The founders were not merely satisfied to organize just another Greek letter organization but were imbued with the ideal of establishing a fraternity of Friendship, Chivalry, and Service . . . one that would judge their fellows not by their name or wealth but by their worth as men. These ideals were incorporated in the Creed of Tau Epsilon Phi.

Omega Chapter was founded here at Carolina by 10 young men who held the same basic principles as their predecessors. Since that time, the fraternity has grown with leaps and bounds, so that today there are 40 active brothers, with over 200 alumni.

Here come those motorcycles (zoom!) . . . the leather jacket men are here . . . back again for another fine year. The Intramural athletes working hard as ever, after walking off with the championship in '52 . . . congratulations also in order for winning the outstanding chapter award!
